The International Spanish Academy [ISA] at Walton High School is a dual language program in Spanish and English offered through the collaboration of Walton High School and the Ministry of Education of Spain.

ISA students take four years of intensive Spanish as well as four Honors or AP Humanities courses in a bilingual setting. ISA graduates earn a diploma from Walton and from the Ministry of Education of Spain.

Please join us virtually on Thursday, November 18, 2021 at 6:30pm to learn more about this incredible program and how its opportunities will benefit you throughout high school, college, and beyond.
